

## ***Interpreting in Educational Settings Training – Tier 2 - Winter 2025*** **– REMOTE TRAINING**

We are pleased to introduce the **Interpreting in Educational Settings Training**—a comprehensive remote training program officially approved by the Massachusetts Department of Elementary and Secondary Education (DESE). This program is specifically designed for interpreters who work in educational settings, providing them with the tools and knowledge to effectively support communication between students, families, and school staff.

- **DESE-Approved Curriculum:** Gain valuable insights and skills through a curriculum that meets the high standards set by the Massachusetts Department of Elementary and Secondary Education.
- **Focus on Educational Interpreting:** Learn best practices for interpreting in various educational contexts, including parent-teacher conferences, and special education meetings.
- **Remote Learning:** Participate in this training from the comfort of your own home, with flexible online sessions that fit your schedule.

This training is an excellent opportunity for interpreters to enhance their professional skills, contribute to the success of students and families, and meet the growing demand for qualified educational interpreters.

### **Who Should Attend:**

- Professional interpreters seeking specialization in educational settings
- Bilingual individuals interested in pursuing a career in educational interpreting

### **Requirements:**

- High school diploma, or its equivalent, from an English-speaking country
- Successful completion of at least 24 credit hours at the post-secondary level with a majority of the classes conducted in English
- Attainment of a Seal of Biliteracy from a U.S. High School
- Successfully passing an English language proficiency test from a reputable testing organization
- Certification from an interpreter training program that may be outside of the educational context
